5. Indemnity forms: Anne C, Daisy P and Sonya L have revised the forms. 2 colors pink and blue Anyone born before June 19 2002 will receive the pink over 18 form, anyone born after June 19 2002 will receive the blue under 18 form. Anne will be distributing/collecting the forms through the office only. These forms will not be included in the Grad envelopes. All Grads and guests will need to have their I.D. with them to enter the social and confirm their DOB for the correct wristband.
6. Sonya revisited a couple of issues regarding the Grad social: parents/guardians cannot consume any alcohol while at the event. Parents do not have to stay at the social the whole time. You can plan to come and go to accommodate early and late shifts. However, it is every parent's/guardian's responsibility to ensure all attendees (grads and guests) are safe throughout the evening. The "authorized person", who signed the indemnity form, will be called to pick up the "attendee" (grad or guest) when they are ready to leave the social. Please have ID with you when picking up your Grad in case of any errors

7. May 15 2020 Sonya has to submit to the Safe Grad how many over 18 and under 18 attendees we will have.
8. Decorations: Grads came up with 3 themes- Retro Disco, Tropical and Vegas. Vote was held with those Grads in attendance and majority voted for Tropical. Now that we have a theme Mrs. Tataryn will go through old decorations and see what we have in stock before we buy duplicates. Judi Carroll will also be contacted so the photo booth can be decorated to the reflect the theme.
9. Next meeting March 10 @ 7pm
10. Sonya L. adjourned the meeting at 8:11 pm
