Dear Parents/Guardians;

This note is to share information regarding our graduation celebrations for our 2020 grads of Teulon Collegiate.

High school graduation is an important milestone in a person's life. At this point, the government of Manitoba is prohibiting large gatherings until at least September 2020. Therefore, we will be postponing our convocation celebration for this year's graduates until it is safe to do so. The safe grad committee is following recommendations from the Manitoba School Boards' Association and will be postponing this event as well, until it is safe to do so.

We acknowledge how difficult it is to be unable to traditionally celebrate the successful completion of thirteen years of school. It is our intention to postpone these events, rather than cancel them. We feel that as a school community, it is important to provide these traditional celebrations to mark this incredibly special achievement in our students' lives.

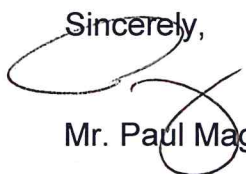

We will be working with the safe grad committee to plan our future convocation and safe grad celebration. We will endeavor to host an event that will be as inclusive as possible.

In June, we will still plan on hosting a virtual Awards Ceremony to highlight our grade 12 students' achievements. It will also be important to ensure students have the necessary documents they will need for their near future. For example; their transcripts and provincial graduation certificates. When making these plans, it is of the utmost importance that the health and safety of our school community be maintained. We will keep you posted on these plans as they develop.

We would like to extend a huge thank you to all of our graduates. This is a very trying time, but in ways both large and small, we see you supporting each other through these difficult times. You make us so proud each and every day. Life will return to normal and when it does you will be more prepared than ever to face life's challenges.

As always, if you have any questions, please do not hesitate to contact us at the school number above or by email: pmagnan@isd21.mb.ca jdarragh@isd21.mb.ca

Sincerely,

Mr. Paul Magnan
