

2024 Community Report

School Profile

Teulon Collegiate has an enthusiastic staff of 18 teachers, 12 educational assistants, office and custodial staff working together to provide our students with a quality education and a safe school environment. Our Student Services team is made up of 1 full-time counsellor and 1 1/2 Learning Support Teachers. Teulon Collegiate has a student population of approximately 210 students throughout grades 7 to 12. Our school offers a wide range of academic courses which allows students the opportunity to obtain additional credits through Foods and Nutrition, Industrial Arts, Apprenticeship and Career Technology Studies.

School Beliefs

At Teulon Collegiate we believe that the following social emotional values:

Respect
Responsibility
Healthy Lifestyle
Good Citizenship

Are just as important as learning academics.
